

2007 IEEE Conference on Technologies for Homeland Security: Enhancing Critical Infrastructure Dependability

Wednesday May 16 and Thursday May 17

Holiday Inn Select BOSTON-WOBURN, Woburn, MA

SPONSORS

CO-SPONSORING THE CONFERENCE

The Conference on Technologies for Homeland Security is offering the following co-sponsorship opportunities for the conference. Co-sponsors receive a significant package of promotional and advertising opportunities to a diverse audience, all directly involved in homeland security.

Platinum Co-Sponsor

Platinum co-sponsors receive top level promotion, on all flyers, web sites and brochures. They will be identified as Platinum Level Co-sponsors on prominent posters at the conference. They may have one 30" x 6 foot table top exhibit space at the conference for promotion of their organization, three passes to the conference and will have a full page ad in the conference handout. There will be a maximum of four Platinum Co-sponsors. Platinum Co-sponsorship is \$5500.00.

Reception Co-Sponsor

The evening reception co-sponsor is featured in all materials at the second level of the sponsorship section equal with the Gold Level Co-sponsors and will be featured prominently as the sponsor of the reception. The Reception Co-sponsor may have one 30" x 6 foot table top exhibit space at the conference, three conference passes and a 1/2 page ad in the conference handout. Reception Co-sponsorship is \$3500.00.

Gold Co-Sponsor

Gold co-sponsors are featured at the second level of the sponsorship section, on all web sites, flyers, brochures and posters at the conference. If appropriate to the conference audience, they may have one 30" x 6 foot table top exhibit space at the conference, two passes and will have a 1/2 page ad in the conference handout. The price of Gold Co-sponsorship is \$2500.00.

Silver Co-Sponsor

Silver level co-sponsors are featured just below Gold level co-sponsors in the sponsorship section of all materials and posters. Silver level co-sponsors may share tabletop display space on a designated table at the conference, will have one pass to the conference and a 1/4 page ad in the conference handout. The price of Silver Co-sponsorship is \$1000.00.

Bronze Co-Sponsor

Bronze level co-sponsors are featured just below Silver in all materials and posters. Bronze co-sponsors will be identified with an event, such as a coffee break, continental breakfast, etc. There will be a prominent sign, identifying their co-sponsorship for that event and a 1/6 page ad in the conference handout and one pass to the conference. The price of Bronze level co-sponsorship is the cost of the event or \$750, whichever is greater. Other requested in-kind services may also qualify for Bronze Level Co-sponsorship.

Other Co-Sponsors

These are identified as co-sponsors and featured on all promotional and display materials. They will receive one pass to the conference. These co-sponsors provide marketing programs for promotion to at least an audience of 500 potential attendees. They must use promotional material furnished by IEEE and provide verification they have distributed these materials.

EXHIBITOR AT THE CONFERENCE

Exhibiting at the 2007 IEEE Conference on Technologies for Homeland Security provides an excellent and affordable opportunity to meet and interact with an audience of government officials, companies and individuals interested in the technology supporting the critical topic.

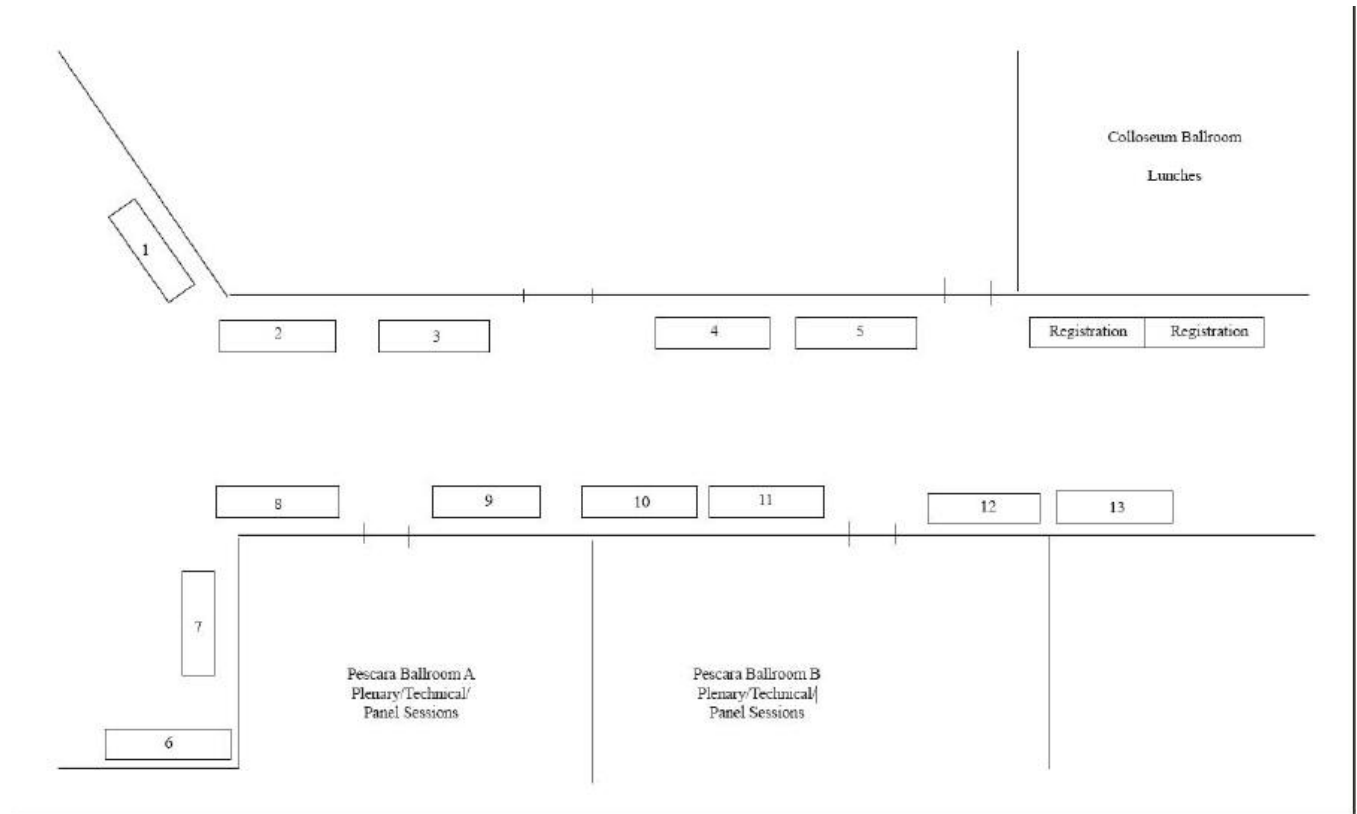

Exhibitor

Exhibitors will have one 30" x 6 foot table top space for exhibits, appropriate to the audience, during the conference. They will be listed as exhibitors on the conference web site and may have a 1/4 page ad in the conference handout. Exhibitors will receive two passes to the conference. The price of exhibit space is \$2000 per space. Any question of appropriateness will be the discretion of the Conference Committee.

Exhibit Space Details for Co-Sponsors and Exhibitors

Exhibits will be located in the foyer and hallway, between the meeting rooms, coffee breaks and the conference reception, providing exhibitors maximum exposure to the attendees. Exhibits will be limited to one 30" x 6 foot tabletop display. Space is limited and signing up early will help you to secure an advantageous location.
